Entertainment

The 2020 banquet presenter will be Mr. Jerry Bertoldo. Jerry is an avid historian of the once very extensive dining car service on the New York Central Railroad. Using historic photos and many delightful anecdotes, his talk will review the glory years of the dining car. Buffalo was a major commissary point on the Water Level Route for the restocking and servicing of the dining car fleet. Jerry will appear dressed as a NYC dining car waiter. This program will appeal to anyone who ever had the pleasure of partaking in a 'dinner in the diner' on a moving train!
